## MAJOR GUILT

It is  
a mother's job  
to feel guilt.  
I always did guilt  
well.  
Now  
that my child has Crohn's,  
I am  
excellent.

## MUSHROOMS

Glory when water,  
when warm doe-breath  
of April ignites spores  
quiet as spots  
on the backs of deerticks,  
a bursting, a magic,  
making fawn prints  
out of dust.
